WHO WE ARE

One and a half years ago the last issue of *CounterSpy Magazine* appeared. Although the scope of coverage, the depth of research, and the impact of *CounterSpy* around the world were on the rise, personal and political disputes coupled with CIA harassment led to an impasse among the staff. Those of us who had been working most closely with Phil Agee left the magazine to continue research, and others stayed on, ostensibly to continue the magazine. They were not successful.

We have felt, since the beginning, that there is an important and vital role to be played by the sort of exposés for which *CounterSpy* had become world-famous. We decided that the dissemination of such information must resume. That *CounterSpy* and its uncovering of CIA personnel and operations around the world were so violently hated by the Agency was our best endorsement. The compliments and encouragement we received from progressive people everywhere convinced us that we could not leave this void in the mosaic of struggles against the U.S. intelligence complex.

We begin modestly with a small Bulletin which we intend to publish approximately bi-monthly. This first issue is being distributed at no charge. We are confident that there will be sufficient subscribers to make this publication a permanent weapon in the fight against the CIA, the FBI, military intelligence, and all the other instruments of U.S. imperialist oppression throughout the world. We know that the information and the research is there, crying out to be published and disseminated.

We encourage everyone to keep in touch with us, to correspond, to submit leads, tips, suggestions and articles. We will try to track down all your leads. Most especially, we will never stop exposing CIA personnel and operations whenever and wherever we find them. We are particularly anxious to receive, anonymously if you desire, copies of U.S. diplomatic lists and U.S. embassy staff and/or telephone directories, from any countries.

A major step in that battle has already been taken. Two of our group, Phil Agee and Lou Wolf, have edited and prepared a new book, *Dirty Work*, just published by Lyle Stuart, Inc. This book describes in detail how to expose CIA personnel, includes dozens of articles from many countries which have done just that, and presents, in Appendix form, detailed biographies of more than 700 undercover CIA and NSA personnel lurking in embassies and military installations in virtually every country on earth. We urge all our readers to study this book, and the simple methodology it sets forth. And, of course, to let us know the results of your own research.

The book, which is at present only in hardcover, is unfortunately expensive. While we recognize that the years of research which went into it, and the expensive, complicated and lengthy printing which it involved, justify such a cover

price, we have arranged for a special offer for our readers. If you order a copy of the book through us—see the ad on page 2—we will give a \$10 rebate on all charter one-year subscriptions to the *CovertAction Information Bulletin*. If you are in the United States, this is the full price; if you are overseas, you will only have to pay the postage.

One of our group was a CIA case officer for twelve years; two others worked in finance and support for the CIA for nine years; the rest of us have devoted much of the past several years to direct research on U.S. intelligence operations. We hope that we can put this experience to valuable use through the pages of the *CovertAction Information Bulletin*. We hope you will agree, and will support us.
